

Mahlatse Mokgawa

Banking Consultant

I'm a confident, articulate and tech-savvy professional with over 4 years of experience in the financial services industry. I was previously employed for 3 years at Standard Bank as a Verification Consultant and 6 months at Old Mutual as a Financial Advisor. I consistently strive to work to the best of my ability and deliver professional results at all times. My key strengths are problem solving, data analysis, interpretation and verification, as well as effective communication.
